2.01 This Agreement shall remain in effect and be binding upon the Board, the Association and each Staff Member in accordance with its terms, subject only to amendment as herein provided.

2.02 This agreement covers those appointments to the academic staff of the University which are for specific terms and which are contingent upon funding. These appointments normally exclude employment where the source of funds is the University operating budget and/or other unrestricted funds which are generated or controlled by the University.

**Academic Freedom**

2.03 The University is committed to the pursuit of truth, the advancement of learning, and the dissemination of knowledge.

2.04 The University expects each Staff Member to engage in these endeavours.

2.05 The parties to this agreement subscribe to the principles of academic freedom, that is, the right to examine, to question, to teach, to learn, to investigate, to speculate, to comment, to criticize without deference to prescribed doctrine. Academic freedom does not confer legal immunity; nor does it diminish the obligation of Staff Members to meet their responsibilities to the University as set out in Article 7 (position responsibilities).

2.06 With the approval of the Trustholder, Staff Members have the right to publish the results of any research in which they have been involved without interference or censorship by the University. Staff members shall have access to the provisions of GFC Policy, section 96, on Research and Scholarly Integrity.

3.03 A Staff Member may, annually in writing, request the appropriate University Officer to remit amounts otherwise payable as Association dues to a programme which is related to and administered by the University. The specific cause shall be selected from time to time by the executive of the Association and the Provost and Vice-President (Academic).

Article 4: Delegation

4.01 The Board confirms delegation of its powers, duties and functions for the performance of its responsibilities contemplated by the terms of this Agreement (with the power to sub-delegate as set out in this Article), including responsibilities assigned to a person or committee pursuant to:

   g) Article 32- Lay-Off

4.02 The authority of any party described in Article 4 to delegate responsibilities under this Article includes the authority to revoke those delegated responsibilities and to exercise those responsibilities directly. 4.03 A senior officer of the University (including a Department Chair, a Dean, and a Vice-President) or a Trustholder may delegate to another officer of the University, to another Trustholder or to a Staff Member any of the responsibilities assigned in this Agreement to the senior officer or Trustholder, subject to approval in writing by the officer to whom the senior officer or Trustholder reports.

4.04 The President of the Association may delegate any responsibility of him or her to another member of the executive of the Association or the Executive Director of the Association.

4.05 All delegations of responsibility and revocations of delegation under this article shall be in writing.

4.06 If, in this Agreement, a decision is to be made by the Association, the decision shall be made by the President of the Association subject to such restriction as the Association, acting in accordance with its bylaws, may determine. Any Association policy which restricts the ability of the President of the Association to act shall be communicated in writing to the Provost and Vice-President (Academic).

   b) Serve as a joint reference body for consideration of matters which affect the contracts of Staff Members.

5.03 ARC shall consist of four members appointed by the Board and four members appointed by the Association. The Board and the Association may vary their members from time to time and for particular matters under consideration. Each party shall inform the other in writing of the names of its appointed members and of changes thereto.

5.04 The Board and the Association shall each have one vote on ARC.

5.05 Matters referred to ARC under 5.02 may be brought forward by the Provost or by the President of the Association.

5.06 Both the Board members and the Association members of ARC may use the services of such consultants and resource persons as they may see fit and such persons may be invited to attend meetings of ARC.

5.07 ARC shall meet as frequently as necessary to consider any amendments proposed by the Board members or the Association members or by other bodies or persons.

5.08 Amendments to the Agreement (excluding Appendices) which are agreed to by ARC shall be referred to each of the Board and the Association for ratification. Upon ratification by both parties or upon a date specified in the ratification, such amendments shall amend this Agreement and such amendments shall be applicable to all Staff Members.

5.09 In the event that either the Board or the Association fails to ratify an amendment either party may request that ARC be reconvened to attempt to resolve the matter.

5.10 Where ARC does not approve a proposed amendment or where no ratification of an amendment proposed by ARC occurs, the status quo shall prevail.

5.11 ARC is authorized to approve amendments to Appendices without ratification by the Board and the Association, and such amendments shall take effect on the date specified by ARC.

5.12 Notwithstanding the foregoing, where pursuant to Section 22(2) of the Post-Secondary Learning Act, policies have been approved upon recommendation of GFC for various aspects of the terms and conditions of employment of Staff Members, any amendments affecting such policies shall also be submitted to GFC for approval.

5.13 Decisions reached by ARC shall be binding on the Board and the Association and on individual Staff Members. When this Agreement so requires, or if either party so requests, decisions of ARC may be subject to ratification by the party so requesting.

6.10 Any disagreement between the Trustholder and the Staff Member with regard to reappointment pursuant to Article 6 may be subject to appeal pursuant to the provisions of Article 15.
Special Conditions

6.11 A Staff Member may be appointed with special conditions which are at variance with the terms of this Agreement provided:

   a) Special conditions do not result in a lowering of total earnings or benefits as set out in this Agreement;

   b) The variations are in writing and are included in or appended to the Letter of Appointment; and,

   c) The variations have been approved in writing by the Provost after consultation with the President of the Association and prior to the offer being made.

Effective Date

6.12 The normal effective date of an appointment will be July 1, but appointments may be made at other times.

The allowance, to the maximum specified by the Trustholder, shall be paid upon presentation of an account of expenses supported with appropriate receipts. Regulations governing removal allowances shall be established from time to time by the Board after consultation with the Association.

A Staff Member who voluntarily leaves the service of the University before rendering twelve months service shall be required to refund a portion of the removal allowance; each month’s regular service (exclusive of leave periods) shall be considered as discharging one twelfth of the obligation. In cases where probationary periods are less than twelve months the obligation shall be discharged in a proportionately shorter period.

Reporting to the Association

6.13 Human Resources will provide the Association with a monthly report of new appointments and terminations under this Agreement.

Article 7: Position Responsibilities

7.01 Upon appointment, each Staff Member will receive a written Position Description which has been developed in accordance with Article 6 of this Agreement. The Position Description will outline the position responsibilities applicable to the staff member’s appointment.

7.02 The Staff Member shall be accountable to the Trustholder for the duties outlined in the position description.

7.03 Only a member of the Teaching and Research Job Family may be appointed to teaching duties. Courses shall be assigned at the discretion of the Department Chair. These responsibilities will be documented in the position description in accordance with the University’s “Eligibility to Apply for and Hold Research Funding” Policy. As such, research activity shall be conducted in compliance with the regulations established by the Vice-President (Research) following consultation with the Association and approval by the appropriate University governing bodies. Questions arising from the administration of the regulations shall be in accordance with the provisions of this Agreement.
The Trustholder can make changes to Position Descriptions that are not considered to be a position modification under 7.06. If the Trustholder contemplates changes to the position description, (s)he shall consult with the Staff Member and the changes shall be documented through the rewriting of the Position Description under Article 6.

In the event of a dispute with respect to changes in position responsibilities, a Staff Member shall have recourse under Article 15.

25.02 The Association shall have in place a General Insurance Policy. The Association shall deliver a copy of the policy to the University.

25.03 Both the University and the Association shall hold such policies, as delivered to them, confidential.

25.04 Notwithstanding the requirement to hold the policies confidential, the parties shall provide Staff Members with the nature of the coverage.

**Article 26: Indebtedness to the University**

26.01 A Staff Member may, from time to time, be under a financial obligation to the Board. Without restricting the generality of the foregoing, examples of such obligations may include travel advances not used or returned, unauthorized personal expenditures on University credit cards, and over expenditures on university accounts for which the Staff Member has signing authority.

26.02 The Board shall notify the Staff Member of such obligation by formal notice sent to the Staff Member’s address of record in Human Resources.

26.03 If the Staff Member does not respond within 30 days to make arrangements to discharge the obligation, the Board may deduct the amount owing from the salary due and payable to the Staff Member.

**Article 27: Grievance**

27.01 A grievance is an allegation that there has been a violation or improper application of the terms of this Agreement.

27.02 Disputes for which there are specific dispute resolution mechanisms provided in this Agreement shall not be resolved by the procedures under this Article.

27.03 A grievance may be initiated by the Association a) at its own behest, b) on behalf of a Staff Member, or c) on behalf of a group of Staff Members.

27.04 The grievance process shall be initiated by the Association within 6 months of the date on which the
violation or improper application is alleged to have occurred.

27.05 The grievance process is as follows:

27.05.1 Before submitting a formal grievance, the Association shall attempt to resolve the matter by meeting with the Trustholder.

a) Trustholder shall consider the matter and within 15 days of any meeting under 27.05.1 shall submit a written report to the Association.

b) If the Association accepts any proposal for resolution in the report under 27.05.1 (a), the matter ends; if not, the matter shall proceed under 27.05.2.

27.05.2 If the matter is not resolved under 27.05.1, the Association may, within 15 days of receipt of the report under 27.05.1(a) submit a formal grievance to the Dean or to the Vice-President to whom the Trustholder reports.

a) The formal grievance shall have the following components:

i. It shall be in writing and refer to the provision in the Agreement which is alleged to have been violated or improperly applied;

ii. It shall summarize the evidence generating the matter; and

iii. It shall state the relief or remedy sought.

b) The Dean or Vice-President shall investigate the formal grievance and, within 15 days of receipt of the formal grievance, shall submit a written report, including a recommendation for resolution, to the Association.

c) If the Association accepts the recommendation under 27.05.2 (b), the matter ends; if not, the matter shall proceed under 27.05.3 or 27.05.4.

27.05.3 If the Association does not accept the recommendation of a Dean or Vice-President under 27.05.2(b), it may refer the matter to the Provost, provided such referral is within 15 days of the receipt of the report under 27.05.2 (b).

a) The Association and the Provost shall meet within 10 days of referral under 27.05.3 to attempt to resolve the matter.

b) If no resolution is made under 27.05.3(a), either the Association or the Provost may, within 30 days of agreeing to disagree, refer the matter to Arbitration under Article 29.

27.06 All dates and times in this Article may be varied by the mutual consent of the parties.

27.07 Failure of either party to act within the time periods required by this Article, or as altered by 24.06, may, within 5 days of such failure, be drawn to the attention of the party failing to act. If the Association does not respond within 10 days, the failure to act shall indicate acceptance of any proposed resolution. If an administrator/Vice-President does not respond, the Association may proceed to arbitration under Article 29.

**Article 28: Interpretations**

28.01 Either the Association or the Board may refer questions of interpretation of this Agreement, in writing, to ARC.

28.02 ARC shall meet within 30 days to consider the issue referred for interpretation.

28.03 If ARC reaches an agreement on a resolution, its interpretation shall govern this Agreement. An interpretation shall be communicated in writing to the Board and the Association.

28.04 If ARC is unable to agree, the Board or the Association may refer the question for arbitration, in accordance with Article 29.

**Article 29: Arbitration**

26 of 48
Scope and Authority

29.01 The procedures in this Article shall apply to matters referred to arbitration in this Agreement as contemplated by Section 87(3)(b) of the Post Secondary Learning Act. Specifically, these matters include disputes on differences arising from the procedures of Article 19 (Compensation Negotiations), Articles 14 and 16 (actions of discipline), Article 27 (grievances), and Article 28 (questions of interpretation).

Appointment of Arbitrator

29.02 A matter referred to arbitration under this Article shall be heard by a single arbitrator except for those matters where the Board and the Association agree, in referring a matter to arbitration, to a three-person arbitration board. Hereinafter all references to “arbitrator” shall be deemed to include an arbitration board.

29.03 a) In the case of a single arbitrator, the arbitrator shall be appointed by agreement of the parties;

b) In the case of a three-person arbitration board, each party shall select its nominee to the arbitration board and the two nominees shall appoint the third person (who shall be Chair);

c) If the parties cannot agree in either (a) or (b), either party may apply to the Chairman of the Labour Relations Board, Department of Labour, Province of Alberta, for the appointment of the arbitrator/third person in accordance with the procedures and the fee schedule established by Alberta Labour.

Authority of the Arbitrator

29.04 The arbitrator shall have authority to hear the case, to receive and to examine evidence, to administer oaths and to compel attendance of witnesses and production of documents.

29.05 An arbitrator who, before or during an arbitration, becomes aware of circumstances that may give rise to a reasonable apprehension of bias shall disclose the circumstances to the parties.

29.06 The arbitrator may rule on questions of law and of jurisdiction that arise before or during an arbitration, and may rule on any objection that is raised during an arbitration.

Decisions of the Arbitrator

29.07 The arbitrator shall hear and determine the dispute and issue a decision which shall be final and binding.

29.08 Where a matter is heard by an arbitration board, the decision of the majority shall be the decision of the arbitration board; if no majority exists, the decision of the person chairing the board shall be the decision of the board.

Arbitration arising from Article 19 (Compensation Negotiations)

29.09 In disputes arising from Article 19, the arbitrator shall select one of the final positions submitted to arbitration by the negotiating teams unless both parties agree to conventional arbitration proceedings.

29.10 Within fifteen days of the date that the arbitrator has been appointed, each negotiating team shall deliver to each other and to the arbitrator a statement of its final position on unresolved items in negotiation and of any items resolved during the negotiations.

Timing of Arbitration

29.11 As soon as the arbitrator has been appointed, the arbitrator shall proceed to appoint a time and place for hearing the matter.

29.12 The arbitrator shall attempt to complete the hearing within thirty days of appointment, but shall give the
parties not less than ten days notice of the time and place of the hearing.

29.13 The arbitrator shall furnish to the parties a written decision as soon after the conclusion of the hearings as possible.

**Procedures of Arbitration**

29.14 Except as required by this Agreement, the arbitrator shall determine procedures for the arbitration.

29.15 The hearings before the arbitrator shall be in private.

29.16 The onus in cases of discipline shall be upon the representatives of the Board to establish, on the balance of probabilities, that the decision reached was appropriate under the circumstances.

29.17 An arbitrator require that, prior to the hearing, the parties submit written statements of the facts supporting their position, the points at issue, and the relief sought.

29.18 Subject to the arbitrator’s discretion in ruling on the admissibility and relevance of evidence, the parties may submit, with their statements, the documents they consider relevant or may refer to the documents or the evidence they intend to submit.

29.19 The parties may amend or supplement their statement during arbitration but the arbitrator may not accept such material:

a) If it is the opinion of the arbitrator that, with the exercise of reasonable diligence, the party seeking to amend or supplement their statement could have presented it to the arbitrator at an earlier time or

b) If acceptance of the material would unduly prejudice the other party.

29.20 The parties may present their cases orally with the permission of the arbitrator.

29.21 The arbitrator is not bound by the laws of evidence and the procedures of court nor is the arbitrator required to have witnesses sworn and, so as not to restrict the generality of the foregoing, the arbitrator may, in the arbitrator’s discretion and after the arbitrator is satisfied that it is not reasonably practical to have the witness give evidence in person, accept as evidence a statutory declaration from that witness.

29.22 The arbitrator shall have the right to call witnesses and procure materials in addition to the witnesses called or the materials submitted by the parties.

**Costs of Arbitration**

29.23 The Board and the Association shall share equally the fees and expenses of the arbitrator.

29.24 Each party shall bear its own costs of presentation to the arbitrator.

**Enforcement of Award**

29.25 Either party shall be entitled to make application to an appropriate court for enforcement of a decision made under this Agreement.

**Article 30: Effective Date**

30.01 This Agreement shall take effect on July 1, 2006, and will be subject to Article 31.

**Article 31: Transitional**

31.01 The parties agree to the establishment of a Trust/Research Academic Staff Agreement Transition Committee in order to guide the implementation of this Agreement.
31.02 The membership of the Academic Research/Trust Agreement Transition Committee will consist of not more than three individuals appointed by the University and not more than three individuals appointed by the Association.

31.03 Appendix M provides a list of transition issues.

**Article 32: Lay-Off**

**Definitions**

32.01 For the purpose of this Article, a lay-off (i.e. termination of employment prior to the end date of the appointment) may result if:

a) The position is no longer required; or

b) The responsibilities of the position, or the qualifications required, have changed sufficiently that the Staff Member no longer has the qualifications required to carry out the responsibilities; or

c) There has been an adverse material change in the level of funding.

**Procedures**

32.02 A recommendation that a Staff Member be laid-off shall be made by the Trustholder who shall provide a copy of the recommendation statement to the Staff Member, to Academic Staff Administration and to the Association and who shall offer to meet with the Staff Member to discuss the recommendation. Both the Staff Member and the Trustholder may be accompanied by an advisor at such a meeting. The Trustholder shall then forward the recommendation to the Appointing Officer unless, as a result of the meeting with the Staff Member, the Trustholder decides not to proceed with the recommendation.

32.03 Upon receipt of a recommendation under 32.02, Academic Staff Administration shall consult with the Association and shall offer to meet with a representative of the Association to consider the recommendation.

32.04 Academic Staff Administration shall offer to meet with the Staff Member, the Trustholder and a representative of the Association and explore with them the options of:

a) Reassignment

b) Laying off of the Staff Member.

32.05 Upon completion of the consultation, meetings and exploration of options, Academic Staff Administration and the Trustholder shall meet and shall make one of the following decisions:

a) To reject the recommendation for lay-off and confirm the Staff Member in the Staff Member’s present position; or

b) To transfer the Staff Member to another position at the University; or

c) To lay off the Staff Member.

32.06 The Appointing Officer shall inform the Staff Member of the decision in writing with copies to the Association and Academic Staff Administration.

32.07 Layoff under this article shall not be considered nor presented as dismissal for cause.

**Notice and Pay-in-lieu of Notice**

32.08 A full-time Staff Member with a Fixed Term Appointment laid-off during the term of their Appointment (i.e.: not at the normal end date) will receive at least one month’s formal notice of layoff and will be entitled to pay-in-lieu of notice in the amount of two months’ salary.

A full-time Staff Member with a Renewable Term Appointment who will be laid-off will receive three months’ notice of layoff and will receive an additional one month’s pay-in-lieu of notice for each year of
employment at the University of Alberta, to a maximum payment of nine months’ salary.

A full-time Staff Member with multiple Fixed Term Appointments which cumulatively exceed six continuous years with no breaks in service and who will be laid-off during the term of their Appointment (i.e. not at the normal end date) will receive three months’ notice of layoff and will receive an additional one month’s pay-in-lieu of notice for each year of employment at the University of Alberta, to a maximum payment of nine months’ salary.

32.09 Part-time Staff Members who are laid-off will be dealt with fairly on a case by case basis.

32.10 During the notice period, the Staff Member shall perform such duties as may be assigned or be placed on leave with full pay or be required to take any accumulated vacation, or a combination of these options; after discussion with the Staff Member, the Trustholder shall decide which of these options shall apply.

32.11 Pay-in-lieu of notice shall normally be paid in a lump sum.

32.12 If a Staff Member, subsequent to receipt of a lump sum pay-in-lieu of notice, is re-employed elsewhere at the University within his/her notice or pay-in-lieu of notice period, the Staff Member will be required to repay the portion of the pay-in-lieu of notice received for the overlapping months (e.g. a Staff Member receives nine months pay-in-lieu of notice and after three months is re-employed with the University. The Staff Member will be required to repay six months of the original pay-in-lieu of notice).

32.13 The University shall provide employment counselling services to laid-off Staff Members through the University’s Employee and Family Assistance program during the notice period.

Recall

32.14 Should a position from which a Staff Member has been laid-off be reinstated or a position with substantially the same duties as that position be established in the same unit within twelve months of the date on which the previous incumbent was laid-off, the department shall contact the Staff Member regarding the position. It is the Staff Member’s responsibility to ensure they keep the department up-to-date with contact information.

The salary scale is located on the Human Resource Services website at http://www.hrs.ualberta.ca/PayandTaxInfo/SalaryScales.aspx
Appendix F: Copyright Regulations

1. The University of Alberta recognizes that the copyright of a staff member in a work made in the course of employment at the University shall be recognized and the University waives, disclaims and abandons any and all right to all copyright in a work produced by that staff member subject to the principles in this Agreement, provided however, that such waiver, disclaimer and abandonment shall not apply in the case of work produced by a staff member who has been engaged by the University to prepare works for the University or part of whose normal responsibilities to the University is to prepare such works.

2. Specific written agreements between the Board and the staff member are recommended in all cases where the copyright of a staff member in a work made in the course of employment is claimed.

3. A staff member agrees to make available to the University for its educational program without payment of royalty or other costs work produced by the staff member in the course of his employment. A staff member agrees to make every effort to make available to the University for its educational program without payment of royalty or other cost work produced by the staff member and with respect to which the staff member no longer has copyright or shares copyright with one or more persons or with respect to which there is some benefit or business arrangement which denies to the staff member the absolute right to comply with the intent hereof.

4. The University will do its utmost to make available to a staff member without cost production facilities and funds necessary to produce works in the University’s educational program. Priority for the amount of funds and the kind of facilities will be determined as required by the administration of the University. The University shall maintain a record of the cost of producing a work and shall include therein sums of overhead and the like all in accord with good business practice and a sum so determined shall for the purpose hereof be the University’s cost.

5. Where a staff member has copyright in a work produced in whole or in part with the assistance of University facilities or funds but the work is not required by the University for its educational program, then the staff member will enter into an arrangement with the University whereby the University’s contribution in the production of the work may be compensated. Unless an arrangement contemplated by the foregoing sentence is agreed upon by the University and the staff member, the staff member will:
   a) Grant to the University a licence to use the work including the right to grant others the right to use the work and/or to copy the same.
   b) Establish with the University a fee or royalty to be charged to third parties wishing to use the work. In default of agreement such fee or royalty shall be set by the President.
   c) Agree with the University that upon receipt of fees the same will be applied as to 75 percent thereof to the University and as to 25 percent thereof to the staff member until the University’s costs as above-mentioned shall be fully paid and discharged and hereafter such fees shall be applied as to 5 percent to the University and as to 95 percent to the staff member.
   d) Agree that, if the University licence is not exclusive, uses authorized by the staff member or other licences granted by the staff member will require a fee no less than that determined in b. above and that on receipt of such fees, that the same will be applied as in c) above.

6. The entitlement of a staff member to dispose of the copyright in a work produced for use in the University’s educational program or of any interest therein to a third party by sale, assignment or otherwise is conditional upon the staff member and such third party agreeing in such disposition
   a) to protect the University’s right to use the work in its educational program as provided by clause 3 hereof, and
   b) to arrange for the payment by such third party to the University at the University’s costs (if any) in the manner described in clause 5 hereof;

provided that, on application by the staff member to the University, the University administration may dispense with the conditions in whole or in part for such reasons as to the University administration seems fair in the circumstances.

7. The University has no obligation to maintain, store, or otherwise keep or care for works produced by a staff member, provided that the University may retain copies of works, if it sees fit, and will on the request of the staff
member maintain a master of the final work for a period of time to be agreed upon between the University and the
staff member. Masters of copies retained by the University will not be amended, edited, cut or changed in any
way by the University without the consent of the staff member or other copyright owner.

8. A staff member, believing his or her work to be unsatisfactory for a proposed use due to dating or other good
reason, may amend the work or require its use to be withheld.

9. A staff member warrants to the University that (s)he is the owner of the work and of the copyright of the work, and
that it is the original work with him or her. In cases where fees or licences for the use of copyright material used
in the work are required, the staff member will provide the University with a list of the same and indemnify the
University against any loss should the list be incomplete.

10. Nothing in this form of contract shall deny or be regarded as denying to the University the right to use copyright
material without licence, cost, or fear of infringement where under the Copyright Act (Canada) the University may
use copyright material without licence, cost or fear of infringement.
Appendix G: Patent Policy

Overview

The broad mandate of the University of Alberta is to create, preserve and disseminate knowledge for the benefit of all Canadians. The creation of knowledge results from bringing together the intellectual and creative resources of the faculty, researchers, students, staff and other members of the University Community. Those who are part of the University community are the beneficiaries of public resources and share in the commitment of the University to effectively disseminate this knowledge to society.

As such, the transfer and Commercialization of new Patenable Intellectual Property (PIP) is important. The efficient protection, commercialization and capitalization of PIP are important elements in maintaining the University’s reputation as a leading centre of research and in the University’s ability to attract the brightest and the best minds.

The successful commercialization of PIP must be the result of effective collaboration between the University and the Inventors or creators in a partnership that draws on and recognizes the unique contributions that each party makes to the process.

This policy is therefore intended to encourage, but not compel, Inventors to patent PIP and to provide a mechanism for the transfer and commercialization of the PIP that rewards the Inventor and protects the rights of the University.

Purpose

- Identify the University of Alberta’s commitment to ensuring that PIP that is intended to be exploited shall be disclosed to the University in a timely manner.
- Identify University of Alberta policy on the ownership, responsibility for Commercialization, and division of Net Revenue generated by the PIP.

(a) POLICY

Compliance with University policy extends to all members of the University community.

1. Application

This policy shall apply to all PIP created by all members of the University within their areas of research at the University, including faculty, researchers, staff and students whether registered for credit or not.

2. PIP Created at the University

There shall be a rebuttable presumption that when PIP has been created by members of the University community and within their area of research, it was created at the University even though some or all of the activity may have actually taken place elsewhere, unless there is a specific written agreement with the University to the contrary.

3. Ownership

Ownership of PIP created at the University shall reside with the person or persons who created it, unless there is a specific written agreement with the University to the contrary.

4. Timely Disclosure and Availability

Full and timely disclosure of PIP to the University must occur at, or prior to, the point that the Inventor expresses an intent to explore Commercialization or pursues any activity to patent.

5. Commercialization

a. Decisions regarding Commercialization of PIP shall be made with the consent of all its Inventors and the University. If any Inventor or the University does not consent, that decision shall be made through arbitration, with due regard to any ethical, moral, or religious objections of any Inventor and the University.

b. The party that undertakes Commercialization, either the University or the Inventor, has a fiduciary obligation to all the interested parties.

6. Commercialization by the University
a. Where there is more than one Inventor the University will have the option to undertake Commercialization only in those cases where:
   i. The Inventors unanimously agree that they wish the University to undertake Commercialization; or
   ii. There is disagreement among the Inventors as to whether to pursue Commercialization, or as to how the Commercialization process is to proceed; or
   iii. The University is not satisfied that all Inventors have been fully informed and are willing participants in the decision to pursue Commercialization or not.

b. In the case where the University undertakes Commercialization, ownership shall be assigned to the University to manage the process.

7. Commercialization by the Inventor
   a. The Inventor, subject to the conditions in Clause 6, may elect to undertake the Commercialization process.
   b. In the event that the Inventor elects to undertake the Commercialization process, the University will have the right to either approve or prevent the first transaction by which the rights to the PIP are affected.

Appendix I: Trust Academic Benefits Stabilization (TABS) Plan Letter of Understanding

The parties agree to the following:

**Purpose of the Fund:**

The fund is set up by administration to assist trust holders with unforeseen, emergency expenses.

**Establishment of the Fund:**

1. A fund advisory committee will be established. The fund advisory committee will monitor the status of the fund and will hear appeals from Trustholders who have had claims denied.

2. The fund will be established by the University through the one-time allocation of $100,000.

3. TABS will function as a “benefits Stabilization plan” for Trustholders. As such, Trustholders will pay a monthly “premium” to the plan as determined yearly by the fund advisory committee. The “premium” paid by each Trustholder is based on a predetermined percentage of the base salary dollars of each trust employee within their account. The year one premium will be X% of base salary costs.

4. At any time, the premium may be changed to compensate for fund variances with reasonable notice to Trustholders.

5. Each year, the fund advisory committee will report to the Board of Governors and to the Association on the status of the fund.

**Expenses that will be funded by TABS:**

All Trustholders will be able to access the fund to provide for the following expenses as required in the Trust/Research Academic Agreement:

- Pay-in-lieu of notice provisions in excess of a three month period
  - Assistance with pay-in-lieu of notice payments will only be considered where the lay-off is unexpected or unplanned. All attempts must be made to find the employee alternate employment and all other funds exhausted before applying to the fund. Where contracts specifically identify terms relating to lay-off or where there are pre-determined wind-up plans, this fund can not be accessed.

- Childbirth Leave top-up benefits up to a 15 week maximum or to the end of the appointment.

- Medical Leave (Trustholder to cover first 4 weeks (e.g. 20 working days) – TABS to cover up to remaining 22 weeks of entitlement or to end of contract)

- Payments for part-time trust/research academic staff will be pro-rated accordingly.
Appendix J: Performance Review Procedure Years 1 and 2 of the Agreement Letter of Understanding

The parties agree that for the 2006-2007 (i.e. for increments effective July 1, 2007) and 2007-2008 (i.e. for increments effective July 1, 2008) academic years only, the procedures in Article 13 will be modified as follows:

If a Trustholder does not assess the performance of a Staff Member by May 30 as required by Article 13.03 and the Staff Member is eligible for incrementation (i.e. not at the maximum of the salary range), the Staff Member shall be automatically awarded a 1.0 increment. In these situations, the Staff Member’s performance shall be deemed to be satisfactory.

The Dean or Vice-President shall include this “automatic increment” in their report to the Provost as required in Article 13.07.
Administration acknowledges the importance to the AASUA of the inclusion of parental leave provisions, such as those in the continuing APO agreement, in the Trust/Research Academic Agreement. Administration was unable to negotiate these types of provisions because they would impact members in the Sessional and Other Temporary Staff Agreement. Hence, the parties agree to send a joint letter to the Academic Benefits Management Committee (ABMC) acknowledging the importance of this issue during the negotiations of the Trust/Research Academic Agreement. The parties agree to ask ABMC to:

- investigate the possibilities of an extension of the fifteen week top-up provisions (i.e. Childbirth Leave) to others within the same academic staff group who have the same type of newborn childcare requirements (e.g. adoptive parents of newborns); and
- investigate possible parental leave provisions for the trust/research academic staff group.

This letter will be drafted by the chief negotiators and will be sent to the Academic Benefits Management Committee by July 1, 2006.
Appendix L: Teaching and Research Academic Job Family Letter of Understanding

The parties agree to the following:

- The agreement will apply to members of the Teaching and Research Academic job family with the exception of the following articles, which after consultation with the AAS:UA will be superceded by and addressed in the individual Letter of Appointment provided to a staff member assigned to this job family:
  - Article 6, 7, and 15 as they pertain to position descriptions, position evaluations, salary level and range establishment and appeals thereof. Instead positions will be established by the Faculty or Unit and individual Letters of Appointment will set out duties, expectations and compensation.
  - Article 13 as it pertains to the evaluation process for a staff member, as well as any resulting incrementation.
  - Article 19 and 20 as they pertain to COLA and Benefits, where these matters are incorporated into the compensation provisions of the Letter of Appointment.
  - Article 32 as it pertains to lay-off where the Letter of Appointment addresses this issue specifically.
Appendix M: Transition Issues

The transition group has agreed to the following transition items:

- Trust/Research Academic Staff Members in the Department of Physics will transition from their own benefits plan to the Trust/Research Benefits plan effective September 1, 2006.

- Those Staff Members who, as of July 1, 2006, have less than eight months left on their present contract, will receive 1% in lieu of benefits. Once a Staff Member receives a new contract greater than eight months, they will be enrolled on the appropriate Trust/Research Academic benefits plan.

- Departments may review performance at the end of the present contract, prior to issuance of a new contract, instead of prior to the end of the academic year as described in Article 13. Departments will include the evaluations on their report as completed with the appropriate effective date.

- If a trustholder wishes and is able to better the terms of the agreement then he/she may. Individual decisions are without precedent but the trustholder must ensure internal equity is maintained. Details of the variation from the agreement should be included in the special conditions section of the appointment letter and approved by the Office of the Provost.
