**Appendix G: Salary Administration**

*(under revision)*

NOTE: The following articles in Appendix G (Salary Administration) shall not apply to staff members appointed to Special Registrations:

- a. Article 2.2 (Salary Minima)
- b. Article 2.3 (Qualifications on Appointment)
- c. Article 3.5 (Service Increment)

1. **Salary**

   There is a minimum salary schedule for temporary staff, one which relates minimum salaries to the staff member’s academic qualifications and to prior experience as such a staff member at this University.

2. The following detailed regulations serve to interpret the salary schedule:

   2.1 “Period of Appointment on U of A Staff” shall be interpreted as follows:

   - a) One period of appointment will be equal to any term of appointment of eight months (the regular teaching session - September 1 to April 30) to one year;
   - b) If a staff member is in the second eight-month, or sessional appointment, he or she will be considered to be in the second period of appointment, etc.;
   - c) Appointment terms of less than eight months shall be converted to the general rule in 2.1(a), above. For example, a staff member in the second four-month appointment will be considered to be in the first period of appointment;
   - d) Prior service in Special Registrations and the Extension Program will not count in the determination of the period of appointment; and
   - e) If there is a break in service of twelve months, or more, between the current appointment and a previous appointment under these regulations, the University is not obligated to count the prior employment as service in determining the minimum salary under #1.

2.2 The salary schedule indicates the minimum salaries which must be paid given the prior service and qualifications. Salaries may be paid which exceed these minima.

2.3 The qualifications held on the effective date of the appointment will govern the minimum salary. In cases where all of the requirements for the degree have been met at that time but where the degree has step of the salary range for the position profile, regardless at which step they begin.

   c) A staff member shall be eligible for an increment after accumulating a total of at least 8 months of service within the position profile, regardless of whether the staff member worked full or part-time; and subject to at least one evaluation of teaching and/or teaching-related responsibilities having occurred within the previous 6 month period. The increment shall always be effective at the beginning of the next teaching term or appointment contract (after the accumulation of the 8 months, or more, of service).

   d) Standard Spring Session and Summer Session appointment periods are each equivalent to 2 months of accumulated service within the position profile.

   e) If there is a break in service of 12 months (not including approved leaves), or more, the prior service shall not be considered in determining appointment salary or a future increment.

   f) Increment eligibility for a staff member who is appointed to multiple part-time positions shall be determined by each Department Chair for positions within their department.

   g) A staff member shall be eligible for an increment after providing certification that they have completed all the requirements for a PhD, or equivalent degree. The increment shall always be effective at the beginning of the next teaching term or appointment contract.

**Eligibility for an Increment for Career or Term 12 Status**

10.20 A staff member with Career or Term 12 Status shall be eligible for increments to the maximum of the salary range for the position profile.

   a) A staff member with Term 12 Status shall be eligible for the first performance increment when they have worked for 12 months within the position profile and subsequent increments after work in each consecutive 12 month period within the position profile (12 month period inclusive of vacation).

   b) A staff member with Career Status shall be eligible for the first performance increment
not been formally awarded (at Convocation), the more liberal interpretation will be taken - provided the appointee can produce evidence to the effect that this is the case.

3.1 Salary shall be paid monthly, in arrears, by electronic transfer to the staff member’s financial institution account. All staff members must complete the Electronic Banking Form, available through Staff and Student Payments. Salary is normally paid on the second last banking date of the month.

3.2 The salary amount stated on the contract letter of appointment is the gross salary rate. That is, it is the appointee’s salary before deductions are made for income tax, employee benefits, etc. The salary cheque sent to the staff member is net of these deductions.

The Canadian Income Tax regulations state that each employee is to file a statement with the employer with respect to personal exemptions claimed. Accordingly, when a person is appointed to the staff of the University he or she must file with Human Resource Services the certification of personal exemptions on form TD1, “Personal Tax Credit Return.”

3.4 The University is required by law to accept legal garnishees and tax levies against the salaries of staff members.

3.5 A staff member who was employed under these regulations in both the immediately preceding and current academic years shall have a current monthly salary rate which exceeds the immediately preceding monthly salary rate by at least the appropriate “service increment.” There are no such increments if the staff member is going into the seventh or subsequent year of service. A “service increment” is the difference between the salary rate shown on one row/line in Appendix I and that for the next lower row/line in that section.

in accordance with Article 10.10 and subsequent increments after work in each consecutive 12 month period within the position profile (12 month period inclusive of vacation).

Increment Recommendations

10.21 For a staff member who is eligible for an increment (and depending on whether the Department Chair or ATSEC is responsible for evaluation), the Department Chair shall either determine, or recommend to ATSEC, whether the staff member should receive an increment based on performance in the appropriate preceding period. The recommendation shall be one of the following:

a) Single increment;

b) Multiple increment which may be 1.25, 1.50, 1.75, 2.0, 2.25, 2.50, 2.75 or 3.0;

i. greater than a single increment but not a multiple increment; or

ii. less than a single increment;

d) An increment of .50 or .75;

e) An increment of Zero.

10.22 If the staff member has insufficient accumulated service at the time of the annual evaluation and performance is satisfactory, an increment shall be awarded in accordance with Article 10.19 c.

Increment of Zero is Awarded

10.23 If an increment of zero is recommended or awarded, that increment of zero shall be cited as one of the following:

a) That maximum for rank has been reached and standards for promotion have not been met but performance is satisfactory notwithstanding (0a);

b) That performance requirements for an increment have not been met but performance is acceptable notwithstanding (0b);

c) That academic performance while on authorized leave could not be properly...

a) Date stipulated in the Letter of Appointment for Instructor or Term 8 Status;

b) Full-time workload end-date for Term 8R Status (e.g. appointment period of July 1 to June 30 and full-time workload occurs September 1 to April 30, the contract shall terminate on April 30); or

c) Next end-date within the annual appointment period for Term 12 Status (e.g., appointment period of July 1 to June 30, the contract shall terminate on June 30).

11.5 Before making the determination under Article 11.4 to terminate the appointment of a staff member with unsatisfactory performance, the Department Chair shall consult with an Administration Advisor. The Administration Advisor shall advise the Association of the decision to terminate the appointment.
The staff member shall be provided with written notice from the Department Chair to terminate the appointment. The Association shall be present when the staff member receives the written notice.

a) reduced a Department Chair's increment recommendation to unsatisfactory performance, or

b) has disagreed with the Department Chair's recommendation for promotion.

In these cases, the staff member with Career Status shall be provided with the opportunity to present their case in person to a reconvened ATSEC.

11.9 A staff member who is provided with the opportunity to present their case in person to ATSEC shall be advised that they may consult with the Association. The staff member shall have the right to be accompanied by an advisor, but not legal counsel.
