

Managing Sensitive Employee Issues

How do you talk about uncomfortable issues?

Certain kinds of workplace issues give rise to work performance problems and, when talked about, have the potential to cause embarrassment or create strong emotional reactions. This course is for key persons and supervisors and provides guidance on how to talk about, and help resolve, these sensitive issues.

Course Contents

- The key question that must be asked, and answered, in order to address sensitive employee issues.
- Common signs of problem behaviours in the workplace.
- Ways to empower your sense of responsibility and confidence to address sensitive issues.
- The steps to take to appropriately address sensitive employee issues.

Additional Features

- Self-guided workbooks for completing offline.
- Resources for continued learning.
- Course certificate can be printed following successful completion of course learning quiz.
